BACK OF HOUSE CAFE COLLEAGUE

In Spring 2022 Shoreham Port opened its all-new Port Kitchen. A modern café space offering great speciality coffee, simple fresh food and a vibrant atmosphere. In a short time, Port Kitchen has become an iconic destination and a positive, happy place for the community and for our colleagues who work there.

We're looking for Café Colleagues for Back of House roles to join our team. You'll be supporting the smooth daily running of kitchen operations, and assisting in the preparation, cooking and presentation of our menu.

KEY DUTIES

You'll ideally have recent experience in a commercial kitchen setting and some foodhandling skills, gained through formal chef training or workplace experience. However, full training can be given, so if you're just starting out or considering a career change and are enthusiastic about learning alongside a supportive employer, we'd love to hear from you too.

You'll be a dynamic problem-solver who stays calm under pressure, with a practical, can-do attitude, plenty of common sense, a love of teamwork, and the desire to gain more experience and training in your foodservice career.

PAY/BENEFITS

In return for your energy, skills and passion we offer Brighton Living Wage, a welcoming and supportive team structure and excellent training opportunities, as well as the fascinating and lively workspace of the Port.

A variety of working hours are available.
