SHOREHAM PORT AUTHORITY
STATUTORY BASIS FOR CHARGES

THE AUTHORITY TO RAISE CHARGES

The authority to charge “ship, passenger and goods dues” as considered “fit” is vested in the board of trustees of the Port of Shoreham by the Harbours Act 1964 section 26(2). This power is subject to a right of objection to the Secretary of State for Transport under section 31 of that same Act.

THE POWER TO COLLECT CHARGES RAISED

By virtue of the Harbours Docks and Piers Act 1847 section 44, the Shoreham Port Authority may recover rates payable to them in respect of a ship by distraint and sale of the ship and its tackle. Under section 45 of the same Act the Authority is empowered to recover rates due to them in respect of any goods by distraint and sale either of those goods or any other goods held on harbour premises belonging to the person/s liable for payment of the dues.

PILOTAGE CHARGES

Pursuant to Section 10 of the Pilotage Act 1987 the Shoreham Port Authority as Competent Harbour Authority (CHA) for pilotage in the Port of Shoreham hereby makes the following list of pilotage charges and conditions of use of the pilotage service to take effect from the date above and replacing those previously applied.

The Shoreham Port Authority reserves the right to plan the sequence of pilotage/non-pilotage moves as directed by the Harbour Master, taking into account the size of ships, tidal circumstances and the availability of Pilots.

TRANSIT RENTAL

GOODS IN TRANSIT

When space is available, goods may be stored on Shoreham Port's wharves, or within transit sheds, for a period at the discretion of the Chief Executive depending on traffic requirements.

Shoreham Port does not accept any responsibility for any loss or damage, however caused, to any goods placed on its wharves or within its transit sheds.

Rent on the use of transit facilities is charged according to current market rates and availability and will be quoted on application.

Ordinarily goods will not be allowed to remain in port for more than three months, and the charge levied beyond this point in time will not be lower than £1.00 per square metre per week or part thereof.

(2) If after attending a vessel at its berth by request a Pilot is required to stand by because the vessel is not ready to proceed a detention charge shall be payable	0.09	
(3) If after a booking has been made for a Pilot the booking is cancelled within 90 minutes of the booked time the Authority reserves the right to withdraw a Pilot after 30 minutes' detention and to seek a re-booking	0.05	

PILOTAGE CHARGES (Contd)

Note

Dues on segregated ballast tankers for which International Tonnage Certificates (1969) are submitted will be charged on the basis of total gross tonnage less the total tonnage of tanks exclusively used for the carriage of segregated water ballast, subject to the Tonnage Certificates showing that the segregated ballast tanks comply with Regulation 13 of Annex 1 of the International Convention for the Prevention of Pollution from Ships 1973, as modified by the Protocol of 1978 relating thereto.

Pilotage Exemption Certificates – Scale of Charges

With reference to the Shoreham Port Authority Pilotage Direction, dated 7 September 1988, the Scale of Charges is as follows:

	£
(1) For <i>bona fide</i> Masters and First Mates of vessels applying for a Pilotage Exemption Certificate under paragraph 2(b) of the Directions	80.00
(2) For <i>bona fide</i> Masters and First Mates of vessels applying for a Pilotage Exemption Certificate under paragraph 2(c) of the Directions	160.00
(3) For <i>bona fide</i> Masters and First Mates of vessels applying for annual renewal of a Pilotage Exemption Certificate under paragraph 8 of the Directions	80.00

PILOTAGE CHARGES (Contd)

For the guidance of all vessels requiring the service of a Pilot the following procedure should be adopted:

Boarding point: Pilots board incoming ships up to two miles off the Harbour Entrance four hours before High Water until the tidal conditions after High Water makes the entrance of vessels unsafe.

ETAs AND AMENDMENTS: ETAs should be sent 12 hours before arrival through any United Kingdom Coast Station or local agents with amendments at two hours' notice through Shoreham Pilots shore station on Channel 14 (VHF). ETAs should include the vessel's maximum draft.

ETAs may be sent to Shoreham Pilots at the Locks, Southwick, Brighton:

by fax	+44 (0) 1273 595988
or telephone	+44 (0) 1273 592366
or e-mail	portcontrol@shoreham-port.co.uk.

Contact procedure: The shore station maintains a listening watch on Channel 14 throughout 24 hours. The pilot boat also maintains a listening watch on Channel 14 (VHF) during tidal hours.

Working frequencies: Having made initial contact on Channel 14, ships should communicate on the working frequencies - Channels 6, 9, 11 and 14.

VHF and telephone conversations are all recorded and can be used in any investigation into incidents in the harbour.

DEFINITIONS

Rates on Articles and Goods Landed or Shipped

- (1) The Chief Executive will exercise discretion in determining whether articles and goods not specified in this list fall into the “general” category at 12. Unlisted cargoes not falling into category 12 will have rates determined at the discretion of and on application to the Chief Executive.
- (2) In charging the rates on goods, the gross weight or measurement of goods shall be taken. Fractional parts of any weight, measure, number or value shall be charged according to the nearest whole number.
- (3) A Cargo Declaration Form must be completed by the ship’s agent or the consignee of the cargo or agent thereof and submitted to the Port Authority no later than 24 hours after completion of discharge and/or loading.
- (4) Declarations of catch values for fish, shellfish and other sea-caught foodstuffs should be accompanied by a landing certificate clearly detailing the market value.

Commercial Vessels

- (5) A “commercial” vessel, for the purposes of applying the above rates and charges, is defined as a vessel assessed as to Gross Tonnage (i.e. a vessel having an International Tonnage Certificate).
- (6) Dues on segregated ballast tankers for which International Tonnage Certificates (1969) are submitted will be charged on the basis of total gross tonnage less the total tonnage of tanks exclusively used for the carriage of segregated water ballast, subject to the Tonnage Certificates showing that the segregated ballast tanks comply with Regulation 13 of Annex 1 of the International Convention for the Prevention of Pollution from Ships 1973, as modified by the Protocol of 1978 relating thereto.

Recreational Vessels

- (7) All the above dues become payable on demand for visitors under (f) above and 30 days from date of demand in all other cases.
- (8) All vessels shall display on the EXTERIOR PORT SIDE OF THE HULL the adhesive dues receipt. Vessels for which dues have not been paid in accordance with the tariff will not be permitted through the Locks.
- (9) The above rates include Value Added Tax at the standard rate at the date hereof for all recreational craft (defined as all yachts and motorised boats not gainfully employed, full-time, in commerce or fishing and all vessels deemed by the Chief Executive at his sole discretion to be recreational craft). The Port Authority reserves the right to increase dues charged in respect of recreational vessels for all subsequent increases in the rate of Value Added Tax.

Hire of Port Authority Tug

- (10) Hire of the Port Authority tug is at all times subject to availability of the tug and crew and to the UK Standard Conditions for Towage and Other Services (1983).
