

Engineering Operative

Are you looking to turn your passion for engineering into a career? Are you keen, enthusiastic and want an exciting opportunity to be part of a multi-skilled Engineering team at Shoreham Port? Do you like working outdoors, indoors, in all weathers, up high, or down low? Do you like fixing things, building things and learning new skills? If this sounds like you, whether you are just starting out with your chosen trade or are already experienced, then this role could be ideal for you, and we would love to hear from you.

About Shoreham Port

Shoreham Port operates 24/7 365 days of the year within a fascinating and complex engineering environment. The job of the Engineering Team is to keep Shoreham Port operational which involves maintaining our critical infrastructure. No two days are the same; you could be maintaining one of our 160 commercial units and the next day you could be involved in exciting development and refurbishment projects.

Key Tasks/Responsibilities

- Assist the Engineering Team with all aspects of planned and reactive maintenance whilst following the Port's Health & Safety policies
- Duties may include:
 - Mechanical; welding, maintenance associated with hydraulic equipment and lock gates
 - Plumbing; fixing leaks, installing taps and sanitary ware
 - Building; excavation, brickwork, fencing
 - Carpentry; fendering, installing windows, kitchen fitting
 - Act as an Ambassador for the Engineering Team when working across our Port estate

How we value our colleagues

- Salary – £22,000 – £26,500 per annum dependent on skills assessment
- Hours of Work: 40 hours per week
- Generous pension contribution
- 25 days paid holiday plus Bank Holidays
- Supportive training

Living our values

- Wellbeing benefits including access to a Colleague Assistance Programme, Mental Health First Aiders and Cycle to Work scheme.
- 25% discount at Port Kitchen.
- Port sponsorship for charity events.
- A day off a year to support a local charity of your choice.
- Opportunities to get involved in activities including our highly successful Sustainability Week, boat patrols and representing the Port at public events.

Please Note: Applicants should be aware the Port has a zero-tolerance policy for drugs and alcohol and a random programme of testing is operated throughout.

Closing Date

The closing date for applications is Friday 4th November 2022.
