

Safety Information Regarding Swimming, Snorkelling, Diving

This information notice is directed to Swimmers or person wishing to undertake diving activities with Shoreham Port.

Please be advised that as stated with part 6 of “The Shoreham Port General Direction 2021” section 71 (1) No person within the Port shall swim or use diving or snorkelling equipment or engage in underwater activities, other than within the Bathing Beach Areas.

Any person using diving or snorkelling equipment or engage in any underwater activity outside of the designated bathing areas without prior written consent shall be liable to enforcement action being taken against them.
