

# Notice to Mariners

## Rampion Offshore Wind Farm

Date of Issue: 10<sup>th</sup> March 2016

Notice Expires: Ongoing

Dear Authorities, Owners, Ships Agents, Masters, Pilots and Fishermen,

Re: Rampion Offshore Wind Farm - Application of Safety Zones during construction

The Secretary of State Mr Kieth Welford has approved the Application of Safety Zones on the project.

A Statutory 500m Safety Zone around all construction vessels

A Statutory 50m Safety Zone around all structures including the Offshore Sub Station whilst personnel are working on said locations.
