

NOTICE TO MARINERS

No. 07 – 2020

DREDGING OPERATIONS

NOTICE IS HEREBY GIVEN that from 18th April to 31st May 2020 periodic dredging operations will be undertaken in the Approaches, Western and Eastern Arms of Shoreham Harbour by the Trailer Suction Dredger “Sospan Dau”. These operations will be carried out on an ad-hoc basis in conjunction with beach nourishment works and other maintenance works. The duration of the works is dependent on the sharing of the dredger with these other operations and the weather. Therefore the exact timeline is not known.

The dredger will display lights and signals in accordance with the Regulations for Preventing Collisions at sea and will maintain a listening watch on Channel 14.

Vessels should proceed at a slow speed when navigating in proximity to the dredger. Masters and others in charge of craft are warned to navigate with caution and to pay strict attention to any information issued to them by Shoreham Harbour Radio.

Julian Seaman
Harbour Master

15 April 2020

Owners, Agents, Charterers, Marinas, Yacht Clubs and Recreational Sailing Organisations should ensure that the contents of this Notice are made known to the Masters or persons in charge of their vessels or craft.
